- Send Genehmigungsantrag to us – request recognition of courses
- Fill out the Learning Agreement if you go on an Erasmus exchange

After you come back LL.B.

- Send Anrechnungsantrag + ToR
- Send Antrag auf Anerkennung to LJPA

Otherwise, they accept every law course.

***Hinweise zur Staatsprüfung in der Ersten juristischen Prüfung in
Baden-Württemberg***

Auslandsstudium

Rechtsgrundlage für die Staatsprüfung in der Ersten juristischen Prüfung in Baden-Württemberg ist die Juristenausbildungs- und Prüfungsordnung vom 8. Oktober 2002, JAPrO, in der jeweils geltenden Fassung.

A. Auslandsstudium und Freiversuch / Notenverbesserung

Eine unter Freiversuchsbedingungen erfolglos versuchte Staatsprüfung gilt als nicht unternommen (§ 22 Abs. 1 Satz 1 JAPrO), d.h. der Prüfling wird so gestellt, als hätte er an der Prüfung nicht teilgenommen. Diese Regelung findet grundsätzlich nur Anwendung bei einer Prüfungsteilnahme nach ununterbrochenem rechtswissenschaftlichem Studium spätestens an der am Ende des **achten** Fachsemesters beginnenden Prüfung.

Nur wer die Staatsprüfung nach ununterbrochenem rechtswissenschaftlichen Studium bei erstmaliger Teilnahme spätestens an der am Ende des **zehnten** Fachsemesters beginnenden Prüfung in Baden-Württemberg bestanden hat, kann diese nach Maßgabe des § 23 Abs. 1 Satz 2 JAPrO zur Verbesserung

- LJPA requires you to take either 30 ECTS pro semester or 8 SWS per week (1SWS = 45min)

30 ECTS / Semester

Pass all exams!

8 SWS / Week

Obtain signatures by the professors after each session and pass **at least one exam**.

Remember you still need to pass at least 10 ECTS for Erasmus scholarship, pass exams for the Anrechnung, and that there might be minimum ECTS requirement by the host university. So it is **never only one exam!**

- Academic Leave of Absence (**Beurlaubung**) – Responsible: Studienbüro and you can do it online in the Portal
- A leave of absence is not granted automatically – you must apply for it.
- If you do not take a leave of absence, you may lose your eligibility to take the State Examination.
- Please note: Internships cannot be completed during the lecture period while you are on leave.
- You can do internships in the semester break as usual. In this case it has to be the host university semester break.

- Your studies will not be prolonged in study years if you do a year abroad in your bachelor.
- After the Bachelor your studies might not be prolonged even in study years if you go abroad one semester only. Check your study plan which exams are offered each semester and if you are not sure check with my Studiengangsmanagement colleagues.
- If you want to write the state examination in September, you have to find a university that starts after the exam. Please google Name of University + Academic Calendar.
- If you have already done the small exercises in Mannheim, **you cannot replace** them with the ones abroad!!!
